

# DECISION 2012

## VICKI FOLEY

"I am flattered and honored by the nomination for the DSBA Presidency. I have enjoyed the privilege of membership in this extraordinary organization for over 10 years, and would be proud to give a little something back by assisting the organization with its mission, vision, and goals by serving DSBA members and the greater Detroit community in this capacity. I would be happy to bring over 20 years of experience in sports, television, and community service to the table in an effort to help the DSBA thrive and prosper in the coming year. Thank you for the nomination and the opportunity!"

## RICH KINCAIDE

"Will Tieman was easily the best DSBA President I've ever seen. He's a tough act to follow, but I will try. Which make this simple: if you liked the way Will ran this show, you should vote for me. If you didn't, you oughtn't.

Will has a vision for this organization which I share. It is time to modernize. If we can't get people actively involved in sports broadcasting to be actively involved in the DSBA—and the evidence gathered over the course of the last couple of decades is that we cannot; I can't tell you the number of times I've been in a locker room in the past couple of years and have realized that I am the only DSBA Active member working the room—it is time to look elsewhere. The old ways will not do.

At the end of the day though, I can tell you the only thing I really care about is the number of checks we can write for grant recipients. Everything we do as an organization is, in my judgment, a means toward that end. And it is to that end that I promise to direct full my efforts. I thank you for your consideration. "

## RICHARD CURBELO

"I do personally thank you for the nomination for Vice President of this organization. That means alot to me. When I joined the DSBA years ago I had hopes and dreams and you can also with the right people guiding you for employment and interviews that other TV and Radio stations can not obtain only through the DSBA. I can do this for you. Seeing what happened at Penn State University was disheartening, I as Vice President will give you not a corporation that the organization has given in the past. Past board members used this platform for their own goals not for the people like you. I give to you the opportunity in fulfilling your dreams to be the best in this business."

## FRANK GARZA

"As we are all aware the sports media has undergone many changes, as VP I would like to make sure that we at the DSBA are prepared and able to welcome the future. I would like continue the good work that the DSBA has done and to continue to look for ways for the DSBA to better serve its members in the gathering and distribution of sports information, better serve our local sports teams and organizations and contribute towards the education of youth interested in the field of sports broadcasting. As a sports columnist for the Detroit Latino Press I have worked to provide coverage of our local professional sports to our readership. Thank you."

## JAMES REIN

"The DSBA continues to make great strides and I am proud to have played a significant role: Our 25th Silver Anniversary Golf Event was sold out and as Golf Co-Chairman, I was instrumental in bringing in 24 of the 36 foursomes. The 2nd Annual Bayview Mackinac Pro Team Challenge was highly successful bringing significant recognition to the DSBA and the Red Wings. We successfully launched the Michigan/Michigan State TABLEGATE Luncheon at the Skyline Club and will continue this program into the future. In 2012, the DSBA will broaden its reach in the sports and educational community. Please allow me to serve you by returning me as your Vice President. Thank you."

# DECISION 2012

## MIKE ALBERTS

"It is an honor to be asked to run for Treasurer. I have been a DSBA Associate Member since 2006. If elected I would commit to making the following a priority:

- Regular financial statements to the membership.
- Organizational tax status review.
- Stewardship of funds in keeping with the DSBA mission.
- Exploration of new sources of revenue."

## WILLIAM WISCHMAN

"I am a lifetime member of the Michigan Certified Public Accountants, member of DSBA for 25 years, co-founder and CEO of PASS-TV, Trustee of Henry Ford Hospital - Behavior Services, and serve on the Audit Committee of the Fetzer Institute. I am semi-retired with various business interests in Michigan."

## SHERRIE HANDRINOS

I have been the secretary of the DSBA for the past three years. I've really enjoyed being a part of this organization and want to continue to help in any way I can. We have begun to look into ways we can save money with our news letters, e-blasts and ways to efficiently reach out to our members by cutting costs. I'd like to continue my role as secretary for the DSBA and work on this with the team. Thank you for the nomination, I hope you'll be getting all of my emails for the next year after the elections!

## DOMINIC MENZO

I have been an active member for several years with the DSBA. During that time I have been a committee member for the DSBA Charity Golf Outing and am proud to have brought some key auction items on board such as the Celebrity Tug Boat Ride. That one event has consistently grown to allow the DSBA to provide grants and scholarships to our local schools. It would be truly an honor to serve the members of the DSBA in this capacity and I am asking for your support. Thank you.

## BILL HARRINGTON

"As Sergeant-at-Arms, Marketing Director and Golf Chairman, I continue to be pleased to actively participate in working to make the DSBA a strong, positive, relevant organization. Our future success and value will be measured by the sports information and communication goals we meet and the greater good we accomplish in the community. I will continue to share my business skills and creativity to assure that the DSBA thrives and prospers in 2012 and beyond. I would appreciate your consideration in allowing me to be a member of the management team."

## JON YINGER

"It would be an honor to serve in this capacity. The Metro Detroit area is blessed to have a great group of Sports Broadcasters that care about and serve the community. I appreciate the DSBA being here to foster this spirit of service and to help raise up the next generation of Sports Broadcasters."
