## Support the Detroit Sports Broadcasters Grant Fund...

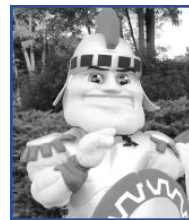

In 1955, at the behest of the late Ty Tyson and Don Wattrick, two former Presidents, the DSBA Charity Fund (formerly the scholarship program), was initiated. Working with the Mayor of Detroit's Committee on Youth, the DSBA membership established a modest scholarship fund. The objective of the program was to identify an individual, who without assistance, would be unable to take advantage of higher learning educational opportunities. The first recipient was Charles Marble. In 1969, the DSBA voted to broaden the scholarship parameters to include young men and women. Six were selected.

Since those early years, the DSBA expanded the program to include not just educational programs but charitable needs as well. Recipients have included the Michigan Athletes with Disabilities Hall of Fame and Detroit Lions Academy, and high school broadcasting programs including Warren Cousino, Southfield, Grosse Pointe South, Farmington, Plymouth-Canton, Clarenceville, Temperance Bedford and River Rouge. The DSBA has also supported broadcast programs and students attending Central Michigan University, Eastern Michigan University, Specs Howard and Spring Arbor College.

Now in its twenty eighth year, the Detroit Sports Broadcasters Charity Golf Scramble has been instrumental in generating more than \$320,000 in gross revenue, with net proceeds benefiting the needs of a wide range of groups.

The DSBA Charity Golf Scramble has been a great success every year — and promises to be so again! All are welcome to attend. We need your support to help the Detroit Sports Broadcasters serve the community not just with their on-air voices but through their physical efforts. Mark your calendar NOW and plan to attend what promises to be another wonderful day of fun!
